

## Brief Company Overview

The eConnect Cards App was launched in February 2025 by SAAIG Technologies LLC, headquartered in Cypress, Texas. It was designed to provide professionals, business owners, athletes, and individuals with a seamless way to share their information effortlessly.

Our mission is to revolutionize digital networking by offering a more efficient way to create versatile digital information and business cards. With eConnect Cards, users can easily share their details, enhance their brand presence, and build meaningful connections. At its core, our purpose is to simplify networking, streamline contact information sharing, and help users maintain lasting professional and personal relationships.
